LIFTING PROFESSIONALS

4 POST LIFTS

C450H

Type	Ref.	Min	kg			
Hydraulic lifting table	13371	195 mm	5Tn-3.5Aux	1800 Kg.	230-400V/3ph/50Hz/3kW 230V/1ph/50Hz/2,2kW	40"

SPORT ramps available
Ref. 33730 - 1800 mm

Security indicator

Indicator that prevents a bad levelling, and ensures that the cylinder works within the best conditions assuring a **longer lasting life**.

Hydraulic cylinders produced and tested one by one in our factory. The cylinders count with the security **valves that detects** any lack of oil, closing the circuit and preventing the lift from the descending.

Security x2

Double security system in each post:

- **Mechanical** (safety bars)
- **Pneumatic** (security ladders)

Ensures a better reliability than the electromagnetic security system.

Our platforms are built with:

Reinforced super structure by double T steel beams for intensive use, keeping the platform flat/straight over the years.

Minimal height

Our platforms descend almost to the ground level avoiding the use of bulky run-up ramps to allow sport cars to go in (and consequently, using less garage area).

The lowest on the market!

H. Min. 195 mm

Repairable during at least 10 years.

We ensure spare parts availability during at least this period.

2006/42/CE & EN - 1493:2011
European Directives & Approved Standards

Ref. 13371

4 POST LIFTS C450H

OPTIONAL EQUIPMENT

Oleopneumatic Jacks

4 Tn

2 - 2,6 Tn

	Without lip
Capacity	Ref
2 Tn	50515
2,6 Tn	50517
4 Tn	50565

Accesories

Magnetic lighting kit

LED 24 V
Without installation

Ref.:
34053

Top Covers

Ref.:
32129

Magnetic holder for tools

Ref.:
26141
